

VATS Key Program

It's as simple as 1-2-3!

1. Insert customer's key into the reader to determine resistor value
2. Select the blank with same grooves and resistor value
3. Duplicate the key

VATS Key Program

- B62 and B82 VATS keys are now available with or without GM logo.
- Enables you to duplicate the GM patented PASS® automotive security system keys.
- Over 200 model years of popular vehicles required VATS keys (see below)
- Keys can be duplicated on a standard key machine
- The reader included in the VATS Kit displays the correct resistor value allowing the key to be cut properly the first time.

Complete Kit
