## Trusted source. Many solutions.

STRATTEC places a high priority on service to our customers - a commitment we support in a variety of ways. OEM quality lock and key replacement products are supplied through highly developed, independent distribution channels. The products, product demonstrations and product support given to all these aftermarket channels ensures that consumers can receive OEM quality parts. If you call an automotive locksmith at midnight, chances are he'll bring products and expertise from STRATTEC.

In addition to providing OEM replacement parts, we also offer a new line of STRATTEC XL products, developed and introduced by a dedicated Service and Aftermarket business team. In this way, STRATTEC can offer products that will serve the widest range of vehicles, including keys, that use the latest technologies of electronic access and RKE systems.
